Travel Scholarship Supporting Neoceratopsian Research

Eligibility

Applicant must be enrolled as a full-time graduate student at a university at time of applying.

Applicant's research project must be on neoceratopsian dinosaurs.

The applicant must also intend to publish their research in a peer-reviewed scientific journal.

Grant Details

This grant was created by Darren Tanke of the Royal Tyrrell Museum of Palaeontology.

The scholarship is a minimum of \$1500 CAD per annum. The scholarship

is intended primarily for Masters and Ph.D. level students, but others may be considered.

This funding is primarily to support research intended for publication, but can also be utilized in support of:

- airfare, lodging, and meals to/from a professional conference or workshop where the applicant is giving an oral or poster presentation.
- travel, lodging, and meals to a museum(s) to conduct research. _____
- printing of conference poster(s) and handouts for same.
- purchase of computer software required for research.

Guidelines

Questions about the scholarship or application can be directed to DRI.

Email completed application (including the three attachments) to DRI.

Mail a copy of the application signed by the applicant and supervisor by May 15 in any given year.
